

## Third Party Invite

1. Once the visit has started, click the purple invite button in the top right of the screen.

A screenshot of the ANYTIME app interface. In the top right corner, there is a purple button labeled "Invite to Visit". Below this, a white box with a thin border is titled "Patient". Inside this box, the following information is displayed: "Name: Jessica Test" and "DOB: 4/30/20" on the top line, and "Allergies:" and "Other:" on the bottom line.

2. Next, a box will appear and ask for email, name, and user type. Fill in with correct information and please note the email address must be in all lowercase letters. Then, click the green invite to visit button.

A screenshot of the "Invite to Visit" form. The title "Invite to Visit" is centered at the top. Below the title are four input fields: "Email \*" (with a red asterisk), "First Name \*" (with a red asterisk), "Last Name \*" (with a red asterisk), and "User Type \*" (with a red asterisk). The "User Type" field is a dropdown menu. Below the dropdown menu, there is a red error message: "Please choose the type of user". At the bottom of the form, there are two buttons: a green "Invite to Visit" button and a white "Cancel" button with a green border.

3. The third party will receive the invitation via email and will click the word [here](#) to join the telemedicine visit.

You have been invited to join an in-progress telemedicine visit with Dr. Laura Smith MD

Please click [here](#) to join the visit now.

4. Once the third party has joined the visit, all three users will appear in the visit.

### Additional Information:

At this time we encourage third parties to use a computer, if possible, with the same web browser recommendations that apply to patients.

We will allow connections from mobile devices so the third party will be able to use Safari (iPhone/iPad) or Chrome (Android) but for the time being we recommend using a computer for a better experience.
